When we arrive, this is what I will see.

These are the main dining rooms where we eat our meals.

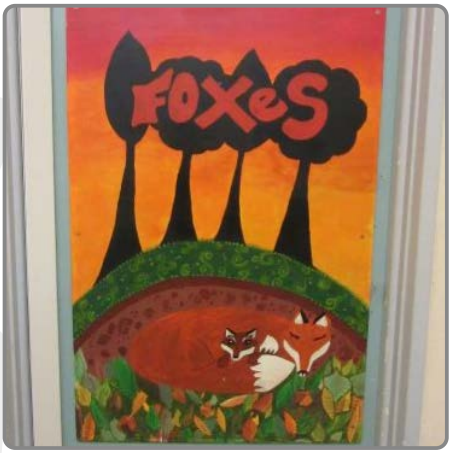
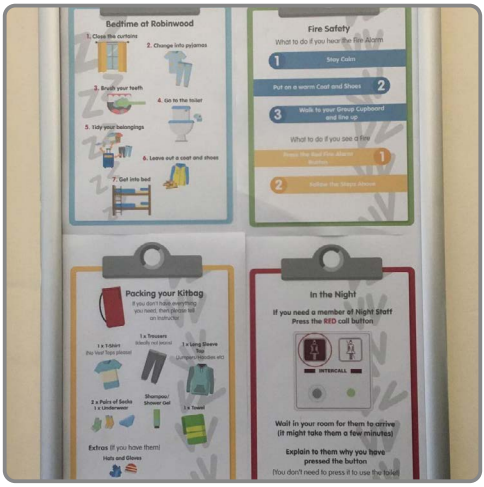
If I don't like something, I can tell my Group Leader or my Teacher and they will arrange something different for me so that I still eat something that I like.

These are examples of where I might sleep. The bedrooms all have a name to help me remember which one I am in.

This is a bedroom door with the name on it.



There are helpful instructions inside the bedrooms.



If I need help at night, I can press a button that tells the Robinwood night staff that I need somebody to come to my room. It won't wake anybody up in my room if I press it.

The toilets all have locks on the door.
The toilets near my bedroom looks like this.

The toilets and showers I will use in the day time look like this.

My group will be given a timetable for our visit that will look a little bit like this.

When it's time for a drink, I can have one at the Drink Station.

I can borrow waterproofs and fleeces when I need them for water activities or if it's raining or cold.

When I have finished with my wet clothes, after a shower I leave them in the group bins to be washed.

These are the activities I can do. I will do them all but they will be in the order shown on my group's timetable.

Archery: I will learn to shoot a bow and arrow and play lots of fun archery games.

Canoeing: For canoeing I will wear a buoyancy aid and a helmet so that I am safe.

Caving: I will wear a helmet to protect my head.

If I want to get out of the caves there are exit hatches in the roof. If I knock on it, my Group Leader will come and let me out.
