Homework

The children will receive weekly homework related to the week's learning. Please can all homework be in school for the following **Thursday**.
 Please can you ensure the children bring their reading books and records into school every day and aim to read a minimum of at least **three** times a week.
 We will send home new spellings each **Friday** and then test the children on these spellings the following **Friday**.

Year 6 LS

Autumn Term

Curriculum Newsletter

Dear Parents and Carers,

Welcome to the start of another action packed year at Bowmandale Primary School!

We have lots of fun learning opportunities to look forward to this term, so I hope your child is as excited as I am to embark on their new adventures in Year 6.

We start the year with our first topic of The Victorians, where we will learn more about Queen Victoria as well as the many inventions that came to be during this period. Be sure to keep an eye out on the app; I will always keep you informed about your child's learning through weekly snaps of their fabulous achievements.

I look forward to working in partnership with you to ensure that your child has a fun and exciting final year at primary school.

Should you have any questions or concerns, please don't hesitate to speak with me.

Miss L Singleton

PE

Outdoor PE will be on a **Monday** and indoor PE will be on a **Wednesday**. Please ensure that the children have their kit every day so they are prepared if we have a change of plan. **This includes socks, trainers and earring tape if needed.**

Class Book

Cogheart - Peter Bunzl

Maths

Number, Place value and Decimals

- Place value, saying and writing numbers up to ten million
- Rounding numbers to the nearest unit, ten, hundred and thousand, including decimal sequences

Addition, Subtraction Multiplication and Division

- Addition and subtraction up to ten million
- Decimal addition and subtraction to three decimal places
- Multiplication of two numbers up to three digit by four digit
- Multiplication of decimals
- Short and long division both with and without remainders

English

Throughout the term, we will be looking at a range of genres.

The content of the work within each genre will be linked with our topic of 'Victorians' and the book 'Cogheart'.

Please see the attached sheet that identifies the grammar points we may cover or recap on.

Music

The children will be following a whole school scheme of work entitled 'Charanga' focusing on music that makes you happy - Jazz and improvisation.

PE

Indoor - Gymnastics and Yoga
Outdoor - Golf and Netball

Science

- Evolution and inheritance
- Environmental Variation
- Classification

French

À l'école (At School)

Computing

Throughout the year we will be exploring more about Online Safety as well as the following topics: Graphing, Spreadsheets, Coding, Blogging, Data, 3D Modelling, Python and Networks.

RE

We will be exploring aspects of Christianity.

PSHE

Being Me in My World and Dreams and Goals.

Project: Victorians and their Inventions

Our project question will be: Which Victorian Invention has changed the World the most?

History

- Who were the Victorians?
- When did Queen Victoria reign?
- What was the Industrial Revolution?
- What did the Victorians invent and what impact do those inventions have on our life today?
- What was life like for a Victorian child?

Geography

- How did the areas people live in change during the Victorian period?
- Why did factories establish themselves in the areas they did?
- What did Barton-Upon Humber look like during the Victorian period?

Art/ Design and Technology

- Research, generate, develop and evaluate a Victorian invention
- Look at, design and evaluate a working toy with gears and cams
- Embroidery using Binca
