Wednesday 15th July: Colour Run
Friday 17th July: Finish for Summer 2:30pm

Homework

Your child will continue to be given activities that consolidate work they have completed in school. Every Friday they will receive homework and it is to be handed in by the following Thursday.

Please may you also ensure that your child brings their reading book and reading record into school everyday and aims to read a minimum of three times a week. Your child will receive a token for reading three times a week and an extra one if they read more. Reading books will be changed on a Monday, Wednesday and Friday.

Your child will receive six spellings each week and these will be tested every Wednesday. **After half term this will be increased to eight spellings each week.**

Year 2

Summer Term Curriculum Newsletter

Dear Parents and Carers,

Welcome back to the start of our Summer Term. Where has this year gone? We cannot believe we are in the final term already!

We hope you had a lovely Easter break and the children are raring to go for this term.

Our focus for project work will be looking at the question 'What does the world look like?'

This topic will be mostly linked with our Geography targets, but we will continue to link in the other subjects throughout.

We are really looking forward to watching the children continue to grow and develop throughout their final term in Year 2.

Please feel free to contact us should you have any questions or concerns. Please remember to check the school APP for updates on our learning.

Thank you in advance for your support.

Miss Havercroft and Mrs Dent

PE

P.E will be on Mondays and Fridays however, please ensure that your child has their kit every day so they are prepared if we have a change of plan.

Maths

In the Summer term, we are aiming to cover these topics:

Measurement

- We will recognise and use £1 and pence, tell and write the time to five minutes, including quarter past and to the hour and learn the number of minutes in an hour and the number of hours in a day

Statistics

- We will discuss and create simple pictograms, tally charts, block diagrams and tables

We will be recapping addition, subtraction, multiplication and division.

PSHE

We will be following the Jigsaw programme:

Relationships
Changing Me

RE

Who is a Muslim and how do they live?

What makes some places sacred to believers?

Music

We will be following the Charanga music scheme looking at the Year 2 units:

Friendship song
Reflect, Rewind and Replay

PE

Indoor: Fitness, Team Building activities
Outdoor: Sports Day Practice and Athletics

English

In the Summer term we will be aiming to write the following genres:

- Newspaper report
- Letter to new teacher
- Balanced argument
- Persuasive writing about why you should join Bowmandale Primary School
- Poetry—free verse
- Non-chronological report

Project

In Art we will be looking at printing using a foam template, making a treasure chest out of clay and marbling.

In DT we will explore how wheel and axle mechanisms work and use our ideas to design, construct and evaluate our own moving vehicles.

In History we will be looking at changes within living memory with a focus on transport.

In Geography we will use the Internet to find out about the UK and Spain and will compare the two countries. Also we will be comparing Barton upon Humber with a contrasting town in a different country. We will also be recapping the continents and oceans of the world along with naming and locating the four countries and capital cities of the UK. Further to this we will be making a simple map and using compass directions to describe the location of features and routes on a map.

Science

Working scientifically
Animals, including humans

Computing

We will be following the Purple Mash computing scheme and completing the Year 2 units:

Spreadsheets
Coding
Questioning
