360 Award for Online Safety

An Assessor from the South West Grid for Learning recently visited school to review the school's online safety provision. The Assessor met school staff, parents and carers, Governors and pupils and was pleased to confirm that the school provides a very high level of protection for children using digital technology.

To apply for the 360 degree safe Online Safety Mark, schools have to reach a series of benchmark levels when they complete the online self-review. The evidence is then verified by a visit from experienced Assessors.

Ron Richards, Lead Assessor for the 360 degree safe Online Safety Mark congratulated the school on its success and commented that it was re-assuring to know that the school had put a lot of thought and effort into ensuring the on-line safety of the staff and young people, by addressing a range of important safeguarding issues.

Household Support Funding

Earlier in the year, the Government launched Household Support Fund 7, intended to provide financial support to vulnerable households. As a result of this, each school in North Lincolnshire has been allocated some money to support families within their school. As a school, we have decided to use our allocation to further enhance our PE kits ready for outdoor sessions in the colder weather. We have ordered each child a dark green Bowmandale hoody to wear in PE lessons. The supplier is hoping that the hoodies will arrive with us just after the half term break and then we will distribute them to the children. Please, please put your child's name in their hoody once they receive it!
