Homework

The children will receive weekly homework related to the week's learning.

Please can you ensure your child reads a **minimum** of three times per week and this may include Reading Plus. I would ask that they bring their reading book, and record in to school everyday. This will be checked every Monday.

The children will receive fifteen new spellings every Friday and be tested on these the following Friday.

School trip:

We have arranged for a Victorian workshop linking to our project to be held at Wilderspin in Barton on **Tues 14th October**.

Year 6 LS Autumn Term Curriculum Newsletter

Dear Parents and Carers,

Welcome to the start of another action packed year at Bowmandale Primary School!

We have lots of fun learning opportunities to look forward to this term, so I hope your child is as excited as I am to embark on their new adventures in Year 6.

Be sure to keep an eye out on the app; I will always keep you informed about your child's learning through weekly snaps of their fabulous achievements.

I look forward to working in partnership with you to ensure that your child has a fun and exciting final year at primary school.

Should you have any questions or concerns, please don't hesitate to speak with me.

Miss L Singleton

PE

Outdoor PE will be on a **Tuesday** and indoor PE will be on a **Wednesday**. Please ensure that your child has their kit every day so they are prepared if we have a change of plan.

Class Book:

Peter Bunzl— Cogheart
Michael Rosen poetry

Maths

Number, Place value and Decimals

- Place value, saying and writing numbers up to ten million
- Rounding numbers to the nearest unit, ten, hundred and thousands, including decimal sequences

Addition, Subtraction Multiplication and Division

- Addition and subtraction up to ten million
- Decimal addition and subtraction to three decimal places
- Multiplication of two numbers up to three digit by four digit
